The privilege of driving a car to school has been extended to our senior students (Year 11 and 12) who possess a valid provisional driver’s licence.

All Whitsunday Anglican School students who drive a car to school are bound by a set of rules which includes:

- Written permission from parents for the student to drive a car.
- Written permission from parents for the student to carry any other students as passengers in that car, including the names of those passengers.
- Written permission from the parents of the nominated passengers to travel with a designated driver.

These permissions can be given by completing the form attached to this policy and returned to the Head of Boarding (HoB), Mr Jaye Beutel.

The following rules will apply to any boarder who is permitted to have a car at the Whitsunday Anglican School:

1. Cars may be driven by senior students once they have permission from their parents and the Head of Boarding (HoB) agrees with the purpose for having the vehicle at school.
2. Senior students may take passengers in their car as long as the parents of the driver and the passengers and HoB have agreed for this to occur.
3. The HoB will monitor the use of the car and restrict the use when appropriate. The HoB is the only person in the position to make a responsible decision for this.
4. If there is a concern about driving competence, the HoB will take responsibility for removing the privilege.
5. The HoB will ensure that drivers are protected from being exploited as taxi drivers.
6. The cars must only be used to reach specific destinations, not for driving around, joy riding etc. If it is discovered that students have gone somewhere other than the specified destination, driving privileges will be suspended.
7. Students may only drive within town boundaries. If the student wishes to go further afield (to return home on weekends and at the conclusion of term), permission must be granted by the parents and the HoB.
8. Students must return to the boarding precinct in a timely manner - hurrying and speeding to return on time is not safe practice. Upon arrival to the boarding precinct keys must be handed in to the HoB.
9. Any breach of School or road safety rules will result in the cancellation of the privilege of driving or having a car at Whitsunday Anglican School.
10. Whitsunday Anglican School accepts no responsibility for student vehicles kept at the school. Students are expected to have personal insurance for any damage or theft which might occur.
