Special congratulations must go to our three students who received an OP1 - Dana Stolp, Julia Boets and Meghan Dansie.

Across the state, 2.77% of students received an OP1. At Whitsunday Anglican School, the percentage of OP1s was 5.2%, among one of the highest percentages in the state.

17.2% of students received an OP1-3, compared to the state results of 11.4%, with three students receiving an OP2 and four students receiving an OP3.

Students have received their university offers and we are thrilled to learn that of all our students, who applied to university, 100% have received an offer.

Students have chosen their universities and courses diversely, ranging from Medicine, Nursing, Education, Law, Business and Science at James Cook University, QUT and UQ, to Arts at the University of Melbourne, Dentistry at Latrobe University and Visual Arts at the University of Wollongong.

Whitsunday Anglican School is committed to providing an excellent education for all students, providing the opportunity for each student to personalize their own learning pathways. We are also very proud of our three students who received apprenticeships before the end of 2016, and our students who completed Certificate III and IV courses and are now engaged in full-time employment in the field of their choosing.

We would like to thank our inspirational staff for their academic and pastoral care of our Year 12s throughout their school journey.

Finally, we wish all our graduands of 2016 the best of luck in the future – may they achieve their dreams and goals, whatever that may be.

Kind Regards

Ms Jenny Grant
Head of Curriculum
