ABOUT THE ROLE

School Chaplain

“

The School Chaplain is a respected role model within our School, who encourages the students and staff to live and support the Christian values, of which we are so proud.

Lily Mitsud, School Captain 2023

The School Chaplain has a vital role in nurturing and sustaining the Christian and values-based ethos of the School, while maintaining an understanding and acceptance of the different faith traditions that our inclusive, multi-faith school community shares.

The School Chaplain is a trusted person for students, staff, families and the wider community to connect with at school and provide a listening ear, a caring presence, and a message of hope, spiritual guidance and emotional support.
